Suzanne Allers

Suzanne (Jeff) Allers began service with World Witness in 1999 in Germany, partnering with German nationals in three different urban church-planting efforts in former East Berlin. Their ministry included hospitality, neighborhood outreach for youth and families and spearheading efforts to involve the church in refugee outreach. In 2020, Jeff and Suzanne joined the Bridge Europe team, serving in SW Germany.

Gillian Brickey

Gillian (Justin) Brickey joined World Witness in 2016. They served in Spain from 2017-2021, where Justin served as Team Coordinator and ministered through church planting, evangelism, and outreach. Gillian served as a teacher at Evangelical Christian Academy in Madrid. In 2021, the Brickeys transitioned to the U.S. for Justin to serve with the SEED Ministry, providing theological and pastoral training in Africa and Pakistan. The Brickeys have previous international ministry experience in Lima, Peru, where Justin was a part of a church-strengthening ministry, and Gillian taught at the International Christian School of Lima.

Their vision is to equip pastors and church leaders in Reformed doctrine, particularly for the struggle with paganism and Islam. As an additional role, Martha-Margaret serves as the Director of Global Education at Erskine Seminary and as a Global Diploma Adjunct Professor.

What is Jubilee Birthday?

The Jubilee Birthday Fund and Celebration was established by the ARP Woman's Synodical Union in 1925, to commemorate the 50th anniversary of the commissioning of the first ARP missionary, Miss Mary Galloway, in 1875. The word "jubilee" came from Leviticus 25:11: "The fiftieth year shall be a jubilee for you."

Female World Witness missionaries are selected by the ARP Women's Ministries and supported by the Jubilee Birthday Fund, which is financially sustained through local-church Women's Ministries, Presbyterial, church-wide, and individual donations.
